**DBX PROUD OF ITS SERVICE
TO MEMBERS IN 2020:
LOOKING TO EXPAND AND
GROW IN 2021**

The DBX established itself in 2020 as the COVID 19 information source for the area construction industry. With almost weekly bulletins and numerous webinars, the DBX did its best to keep the membership updated on the continuous changes in rules and regulations related to COVID 19 that were coming from local Departments of Health; the Ohio Department of Health; the Governor; OSHA; and the Federal Department of Health.

And, to get specific questions answered about COVID 19 regulations, members used the DBX Legal Services Plan more in 2020, than in the history of offering this service. The DBX Legal Services Plan through Attorney Bob Dunlevy of Taft Law, saved our membership thousands of dollars that they would had to have spent in legal fees. Plus, they were assured that it was the best, and most accurate advice they could obtain.

Now, the DBX is looking to 2021 to improve its current services and expand services in several other areas.

To accomplish the goals set by the DBX Board of Directors, we have expanded the scope of current DBX Committees; and have added new Committees as well.

Below is a list of the DBX Committees.:

- Business Management
- Legislative
- Marketing
- Membership
- Safety
- Workforce Development

If you as a member, have an interest in volunteering for any of these committees, please contact Executive Director, Bob Pope, at bpope@assnsoffice.com or (937) 603-4604.
